

An Easy Way to Talk to Your Family Using Alexa

Getting in touch with **your loved ones** is now easier than ever. With Alexa, you can reach your family anytime — instantly — using nothing but your voice. Alexa will automatically reach out to your family member's phone number and let them know you'd like to chat. This gives you a simple, hands-free way to stay connected. your loved ones

Your family will receive a message directly on their phone from a familiar, known caller ID.

This feature empowers you to connect with family safely, reliably, and conveniently across any distance. **Try it out** today and experience the peace of mind that comes with effortless communication.

3 Simple Steps to get started

1

Request your care team to add your family's phone numbers on Zempee. Alexa uses these numbers to call the right person.

2

Remind your family to save the Zempee phone number 661-347-2791 in their contacts as "Zempee Alerts" or "Zempee Notifications" so they always know it's you.

3

Start by saying, "Alexa, **MESSAGE** my daughter." (You can also say son, niece, nephew, or any other saved relation!)

Place calls to your family with a known caller ID; leave a voice message. They'll call you back.

Say **"Alexa MESSAGE my [Relation]"**

Alexa responds to you : "Ok, calling your [Relation]"

Family receives phone call from 611-347-2791 (save it as **"Zemlee Alerts"**)

Family will answer or call you back shortly

 **Pro-Tip:** You can reach anyone in your family!

Alexa recognizes all the relations your care team has saved for you.

You can say:

- "Alexa, message my son" or "daughter"
- "Alexa, message my sister" or "brother"
- "Alexa, message my niece" or "nephew"
- "Alexa, message my grandson" or "granddaughter"

Just use the name of the relation as it is saved in your Zemlee contacts!
